A firm favourite with festival-goers since 1962, Henderson's is PROUD to present their diverse and exciting Programme for Fringe '09. After the show our vibrant and internationally renowned basement **restaurant** is ready to welcome

H

Henderson's

Eat better, live better

you from eight in the morning till late at night. Alternatively our recently refurbished **bistro** serves delicious, wholesome food in intimate, elegant yet informal surroundings.

For those rushing from show to show our mouth watering **deli** offers the healthiest takeaway in town - or why not take a taste of Henderson's home with you? our **shop** stocks a fantastic range of goodies, including hand-made breads, cakes and oatcakes from our own artisan **bakery**.

As much a part of Edinburgh as Arthur's seat or the Castle Rock, we're uniquely, unmissably, unmistakably Henderson's.
